GMS LEARNING FROM HOME THE WEEK OF JANUARY 19TH - 22ND

The district asked families to keep their students learning from home, if possible, January 19th -22nd. As we communicated on Wednesday, preliminary results from this week showed that this was successful in limiting attendance and allowing for extensive social distancing by those who are needing to be served on campus.

GMS PARENTS, THE YEARBOOK NEEDS YOUR HELP!

Parents - we need your help! I know you have been asked to wear many extra hats this year and we have one more to add - YEARBOOK PHOTOGRAPHER! With social distancing rules and virtual learning in place, our yearbook photographers can't be everywhere and we need your help. But, don't worry.... we have an APP for that!

We are asking for teachers, parents, and students to install and use Balfour's Image Share app this year to submit photos for the yearbook. There is even a place to enter in WHO is the photo and WHAT they are doing so we know where to use the photo in the yearbook. You can upload photos of virtual learning or any other school events including fine arts and athletics. We want our yearbook to capture the year and we can't do it without you.

Once you download and install the Image Share App, you will enter your email address. Then, you will receive an email from Balfour allowing you to create a username and password. Once you log-in, you are ready to submit photos to the yearbook staff. The app will allow you to upload 5 images at a time. Please

do NOT upload photos that have been received through a text message or have been downloaded from social media. Those images will not be of high enough quality to use in the yearbook. If you have any questions, please contact the yearbook adviser, Andria Sindt, at andria.sindt@austinisd.org. **NOTE: This is for Yearbook General Picture Upload (not headshots at this time)**

Step-by-Step to get app setup:

1. Download Balfour ImageShare App (see picture)
2. Enter name, email, and GMS project number (123225)
3. Balfour will email you a confirmation code.
4. Once you receive the code, you can set up your username and passcode and begin uploading photos.

GMS PICTURE DAY!

Picture Day is coming! GMS is officially scheduled for Monday, March 1.

Here is what you need to know: -- LifeTouch will take the portraits at GMS (most likely in the gym) -- Opportunities will be provided for BOTH on-campus and virtual students to have their pictures taken -- There will only be ONE picture day. There will NOT be a make-up day. -- All picture packages will be ordered online to minimize contact -- Mask will be required at all times until the photographer says it is okay to remove it for the photo

More information will be sent out closer to the picture date, including the following: -- How to make a picture day appointment if your child is a remote learner -- Online ordering information -- What to do if you cannot (or don't want to) get your child's photo taken at school -- Safety protocols As we all know, COVID has thrown wrenches into the best-laid plans this year. Once we are closer to the picture date and know more specifically what options are open to us, more details will be provided. Please understand that until then, we will not be able to answer specific questions about appointment times or what to do if you child cannot (for any reason) get their picture taken on March 1.

Thank you for your patience as we continue to navigate uncharted waters. If you have any questions, please contact the front office. Andria Sindt, M.A., M.Ed

JOIN GMS PTA TODAY!

You belong in PTA! ...and so do your relatives, neighbors, and friends... Spread the word! The number one reason to join the Gorzycki Parent Teacher Association is to benefit your child. In doing so, you also help your school. This year's unique circumstances do not change the healthy relationship between our campus administration and the Gorzycki PTA Board and membership. Although programming and events may look different, we will continue to partner with Gorzycki to bring new resources that benefit all students.

As Gorzycki PTA gears up to support our teachers, staff, and students for 2020-2021, you can join in the effort by becoming a member of the PTA today. The PTA also supports our parents by providing timely information in our newsletter. Sign up to start receiving the PTA Bulletin. Our Gorzycki PTA works to improve the well-being of all students by providing enrichment programs and funding, as well as promoting advocacy and involvement throughout the school.
