ONLINE REGISTRATION NOW OPEN FOR 2021 - 2022

This is a reminder to complete the registration process for the 2021-22 school year. Students will not be enrolled in courses until registration is complete.

Currently, only 54% of students are registered.

If you haven't yet registered your student online for school the 2021-22 school year, you must do so at this time. (All new students and returning GMS Students must register). You will need to have or sign up for a Parent Cloud account in order to register online. For instructions on how to set up a Parent Cloud account, please visit <https://www.austinisd.org/technology/parent-portal/student-registration>. If you are not returning to Gorzycki or AISD, please email Sonya Caballero at sonya.caballero@austinisd.org.

Parent Self-Serve is the portal that allows parents to view their child's schedule, attendance, and grades. In addition, parents can email teachers and set notification alerts if they want to receive emails when their child has been marked absent or has a missing assignment.

The Parent Cloud also allows you to access Parent Self-Serve to check your student's grades, assignments, and attendance. Please remember to write down your password for future reference.

To access Online Registration, click on the Student Registration icon on the Cloud Desktop. If you have students at other AISD schools, you should see them and can register all of your students at once. If you have any problems with online registration, please call your child's campus or the Parent Technology Support Help Line at 512-414-9187. For more information, please visit <http://www.austinisd.org/enroll>

JOIN GMS PTA TODAY!

GORZYCKI 
PTA

You belong in PTA! ...and so do your relatives, neighbors, and friends... Spread the word! The number one reason to join the Gorzycki Parent Teacher Association is to benefit your child. In doing so, you also help your school. This year's unique circumstances do not change the healthy relationship between our campus administration and the Gorzycki PTA Board and membership. Although programming and events may look different, we will continue to partner with Gorzycki to bring new resources that benefit all students.

As Gorzycki PTA gears up to support our teachers, staff, and students for 2020-2021, you can join in the effort by becoming a member of the PTA today. The PTA also supports our parents by providing timely information in our newsletter. Sign up to start receiving the PTA Bulletin. Our Gorzycki PTA works to improve the well-being of all students by providing enrichment programs and funding, as well as promoting advocacy and involvement throughout the school. The PTA encourages the collaboration of parents and teachers in order to promote and enhance the learning and education of our students. By becoming a member of the PTA, you'll be a part of an organization that truly does make a difference in the lives of all children at GMS. Gorzycki Partner Program

The PTA works diligently to provide resources for our students, teachers and staff, but we can be more successful with the help of our many partners in the community! The Gorzycki Partner Program enables your business to have significant exposure and visibility in our community while providing vital funds to support our students. This opportunity is available to all businesses and families. Contact Becca Lusk & Kelley Davis at partners.gms@gmail.com with questions.

The PTA would like to thank the businesses that support our school!
