JOIN GMS PTA TODAY!

You belong in PTA! ...and so do your relatives, neighbors and friends... Spread the word! The number one reason to join the Gorzycki Parent Teacher Association is to benefit your child. In doing so, you also help your school. This year's unique circumstances do not change the healthy relationship between our campus administration and the Gorzycki PTA Board and membership. Although programming and events may look different, we will continue to partner with Gorzycki to bring new resources that benefit all students.

As Gorzycki PTA gears up to support our teachers, staff, and students for 2020-2021, you can join in the effort by becoming a member of the PTA today. The PTA also supports our parents by providing timely information in our newsletter. Sign up to start receiving the PTA Bulletin. Our Gorzycki PTA works to improve the well-being of all students by providing enrichment programs and funding, as well as promoting advocacy and involvement throughout the school. The PTA encourages the collaboration of parents and teachers in order to promote and enhance the learning and education of our students. By becoming a member of the PTA, you'll be a part of an organization that truly does make a difference in the lives of all children at GMS. PTA GENERAL MEMBERSHIP MEETING AND PARENT EDUCATION SEMINAR SEPTEMBER 16TH

September 16th, 6:00 PM (via Zoom)

Following a brief PTA General Membership Meeting, the GMS PTA is pleased to host Dr. Nikki Weiner from The Rising Workplace to discuss how to create the best home learning environment for your child to support their physical, mental, and emotional health. We will also host a raffle for all in attendance, and one lucky winner will receive a complimentary virtual consultation of your home workspace (a \$150 value).

Dr. Nikki Weiner is a licensed occupational therapist, lead ergonomic specialist, and co-founder of The Rising Workplace. She performs an ergonomic assessment, consulting, and training in a wide variety of workplaces from the single home office to large industrial facilities. Nikki's work centers on the dynamic relationship between personal, environmental, and occupational factors in the workplace, with outcomes focused on employee engagement, performance and well-being.

TIGER MART IS GOING VIRTUAL

Due to the circumstances, our Tiger Mart will be going on virtual! We are working hard to make an online store that can be easily accessed. We will have spirit wear, school supplies, fun items, and random stuff (like painters tape! So much painters tape!) Items will be visible in our online store and easy to purchase. Orders will be packed and available for porch pick up. If you are a volunteer, we will keep you posted about when we will be able to resume.

So be on the lookout and thank you for your continued support of Tiger Mart!! Roar!

(If you have a project and need some painters tape, please email Stacy smdemetri@gmail.com or Sophia sophia.diaz10@gmail.com to get some at a good price!)

Gorzycki Partner Program

The PTA works diligently to provide resources for our students, teachers and staff, but we can be more successful with the help of our many partners in the community! The Gorzycki Partner Program enables your business to have significant exposure and visibility in our community while providing vital funds to support our students. This opportunity is available to all businesses and families. Contact Becca Lusk & Kelley Davis at partners.gms@gmail.com with questions.

The PTA would like to thank the businesses that support our school!
