GORZYCKI REPLACING C-DAY WITH ROTATING A/B CALENDAR

We have successfully moved from pod learning to transitioning from class to class and are very proud of our faculty and students who have made this transition as smooth and safe as possible. We appreciate your support as we move through each transitional phase.

To continue to ensure the safest environment possible, AISD has given us direction to replace our C-Day with a rotating A/B-day schedule. This will allow for less transitioning in the hallways which means less contact with other students on campus. Additionally, our classrooms will only need to be cleaned four times as opposed to eight.

To simplify this for our families, we are going to follow the same A/B schedule as Bowie High School. Please see the attached A/B calendar for reference. We realize change can often be challenging and this pandemic school year has brought more than its fair share. The Gorzycki community has shown itself to be very resilient and adaptive and we appreciate your support even if this is not what you were hoping for. Please help us in this transition by making sure your student is ready for learning and

understands their new A/B calendar.

JOIN GMS PTA TODAY!

You belong in PTA! ...and so do your relatives, neighbors, and friends... Spread the word! The number one reason to join the Gorzycki Parent Teacher Association is to benefit your child. In doing so, you also help your school. This year's unique circumstances do not change the healthy relationship between our campus administration and the Gorzycki PTA Board and membership. Although programming and events may look different, we will continue to partner with Gorzycki to bring new resources that benefit all students.

As Gorzycki PTA gears up to support our teachers, staff, and students for 2020-2021, you can join in the effort by becoming a member of the PTA today. The PTA also supports our parents by providing timely information in our newsletter. Sign up to start receiving the PTA Bulletin. Our Gorzycki PTA works to improve the well-being of all students by providing enrichment programs and funding, as well as promoting advocacy and involvement throughout the school. The PTA encourages the collaboration of parents and teachers in order to promote and enhance the learning and education of our students. By becoming a member of the PTA, you'll be a part of an organization that truly does make a difference in the lives of all children at GMS.
